ABOUT

Since 2008, the mission of Flagscanner has been to educate and inform the community of the operational procedures and day-to-day duties performed by our heroic public servants and first responders. We believe that an informed public is a safer public.

Flagscanner provides real-time reporting by our staff of community volunteer reporters on Flagstaff area news incidents that involve a response from area police, fire, and EMS officials as heard on scanners, social media, and news tips.

FREE DAY POST SPONSOR - CALL FOR PRICING

This is an ad package for a business to sponsor free posts for a day or multiple days. For example: All incidents posted on Sundays would be open for everyone to view, no subscription required. Every time an incident is posted on Sundays, below the post link it would say something like, "This post is free to view for everyone courtesy of YOUR BUSINESS." The cost remains the same regardless of how many posts were made... typically between 10 and 20 each day.

AD DESIGN

Flagscanner offers in-house ad design for our advertisers. One design with up to three revisions is included in your initial ad rate. You may provide your own ad as well, but we may alter its sizing to meet our specifications.

PAYMENT

Payment can be made using any credit or debit card. Payment portal is within the invoice you are sent. Payment must be made in full before the ad will be published.

All prices are subject to change without notice. Flagscanner reserves the right to refuse service to anyone.
